

# Privacy Policy

## 1. Why we collect your personal information

Personal information is data that can be used to identify you directly or indirectly, or to contact you. Our Privacy Policy covers all personal information that you voluntarily submit to us and that we obtain from our partners. This Privacy Policy does not apply to anonymised data, as it cannot be used to identify you.

You may be asked to provide personal information anytime you are in contact with Everchain. We may use your personal information in accordance with this Privacy Policy. Except as described in this Privacy Policy, Everchain will not give, sell, rent or loan any personal Information to any third party.

## 2. What type of information we collect

Any information that we collect is necessary either to provide you the services or to comply with legal regulations and legislation.

You may refuse to provide us with some types of the personal information requested, but in this case we may not be able to ensure that the service works properly for you and that all services are available.

Depending on the service you wish to use, we may collect the following information:

- Your name, geolocation information, browser language, company name and email address.

## 3. How your personal information is used

The main purpose for collecting personal information is to provide you with a secure, and convenient experience. How this information can be used:

- to create, develop, operate, deliver, and improve the services that you use on Everchain website;
- to comply with the legal requirements and applicable legislation;
- for loss prevention.

## 4. Additional information from external sources.

We may obtain information about you from third party sources as required or permitted by applicable law, such as public databases, credit bureaus, ID verification partners, resellers and channel partners, joint marketing partners, and social media platforms. We obtain such information to comply with our legal obligations. Our lawful basis for processing such data is compliance with legal obligations. In some cases, we may process additional data about you to ensure our Services are not used fraudulently or for other illicit activities.

### 5. Automatically collected information.

We may collect information about your computer, including where available your IP address, operating system and browser type, for system administration, problem solving and service improvement. This is statistical data about our users' browsing actions and patterns and does not identify any individual.

## 6. Cookies

One of the ways we collect data about your use of Everchain service is through the use of cookies. It helps us with the analysis of the visits to our services and helps us to deliver a better product. You can manage cookies through the settings of your internet browser. You can have the browser notify you when you receive a new cookie, delete individual cookies or delete all cookies.

## 7. Sharing personal Information with other parties

Everchain may share your information in the following circumstances:

- We share your information with third party identity verification services in order to prevent fraud. This allows Everchain to confirm your identity by comparing the information you provide us to public records and other third party databases.
- We may share your information with law enforcement or regulatory agencies, as may be required by law.

## 8. Protection of the personal information

We will not permit any third parties to contact you directly on an unsolicited basis in relation to their own products or services. We do not sell, trade, or rent your personal identification information to others. We use certain security measures to help keep your personal information safe, but we cannot guarantee that these measures will

stop any users try to get around the privacy or security settings on the Website through unforeseen and/or illegal activity.
